EXPERIENCE

Studio Coordinator + Illustrator, *Parker Studio* *Aug–Dec 2021, Seattle, WA*

Assisted the Account Director in overseeing the scopes for client projects including Amazon and Zappos. Fulfilled production needs and delegated communication with clients and vendors. Lead the development of the Studio's Retail launch.

Developed illustrations for the Girlfriend Collective under the guidance of the Creative Director.

Freelance Illustrator, *Parker Studio* *Dec 2020, Apr–June 2021, Seattle, WA*

Created illustrations for the brand development of client brands including the Girlfriend Collective and Tops Diner. Assets were used for marketing, product merchandise, and website assets.

Contractor Designer, *September Works* *Jan–Apr 2021, Remote, Seattle, WA*

Assisted in the brand development of a Google digital product; with responsibilities specific to visual brand refinements across multiple touch-points, and the delivery and documentation of final assets.

Graphic Design Intern, *Locus Analytics* *June–Aug 2019, New York, NY*

Developed flexible visual models, and illustrated assets, for educational materials that explained the relationships between economic systems. Adhered strict requirements for graphics that had to relate to data structures and methodologies.

Graphic Design Assistant, *College of Arts & Sciences* *June 2017–June 2019, Seattle, WA*

Repurposed brand assets to emulate University branding guidelines. Created animations and illustrations for multiple editorial and digital ad-campaigns, and developed visual assets for the College's social media accounts.
